Surroundings & location

"De Haan, the most beautiful and the most romantic of the Belgian coast seaside. The station has kept his family and quiet nature. Here, no high buildings as everywhere else on the coast. A stroll through the "Concession", the residential and architectural heritage of De Haan, to dive into history. Almost all the buildings date from the belle époque. De Haan, there is also a wood in the dunes: between Wenduine and Vosseslag there are 157 hectares of forested dunes. This wood is interrupted only by the picturesque commune De Haan. This wooded area unique in Belgium to make long walks on foot. Trails winding between the trees, pass the dunes and the Zandpannen. For horse lovers there are beautiful bridleways. There's also an unlimited number of paths that criss-cross the entire Belgian coast."
